

REGISTRATION

The Customer shall register as a participant in the wholesale energy market in accordance with the NEURC register**

Violation of the requirements of the legislation on integrity and transparency in the wholesale energy market provokes fines of up to UAH 229.5 million

REPORTING

For the purpose of publishing insider information, the Customer shall conclude an Insider Information Publication (Disclosure) Agreement with any administrator of the Insider Information Platform in accordance with the NEURC register

NEURC Resolution No. 614

In order to provide information on economic and trade operations related to wholesale energy products outside the PPOTWEP** systems, the Customer shall conclude a Data Transmission Services Agreement with any administrator of the Data Transmission Platform in accordance with the NEURC register

NEURC Resolution No. 618

JSC Ukrtransgaz, as the SSO, independently passes to the NEURC:

- › Report on the volumes of natural gas storage by the wholesale energy market participants (Annex 9 - NEURC Resolution No. 618)
- › Report with a list of customers who have not been registered as wholesale energy market participants (NEURC Resolution No. 593)

* pay attention to the correctness of entering your EIC – shall be in Latin and w/o spaces!

**PPOTWEP - persons who professionally organize transactions with wholesale energy products (organized trading platforms, commodity exchanges, electronic auctions, trading platforms, etc.).

When carrying out economic and trade transactions within the system of the PPOTWEP, the PPOTWEP provides information about the performed economic and trade operations to the NEURC.
